

Department of Radiology
Visiting Professor Series

Dr. Philip Shorvon

Consultant - GI Radiologist
North West London Healthcare
London, UK

Dr. Rosemary Allan

Consultant Radiologist
(Paediatric Radiology and Nuclear Medicine) at
St Georges University and NHS Foundation Trust
London, UK

“Abdominal and GI Congenital Anomalies Presenting in Adulthood”

Dr. Philip Shorvon

Tuesday, September 15th, 2015
St. Joseph’s Healthcare Hamilton
CAMPBELL Auditorium – Level 2 – Room T2202
Juravinski Innovation Tower
6:00 pm

Objectives

1. To understand and categorize the reasons why congenital abnormalities might not present until adulthood
2. To demonstrate how embryology helps to appreciate the imaging features of some common anomalies
3. To illustrate the spectrum and imaging findings of some common and less common anomalies, and how to avoid some diagnostic pitfalls

Event ID: 47577478

“ARFI Liver Elastography; Useful or Useless”

Dr. Philip Shorvon

Date: Wednesday, September 16th, 2015

Location: SJHH: Campbell Auditorium
Level 2-Room T2202 – Juravinski Tower

Time: 7:30 am

Objectives

1. To understand the concept of liver elastography and the means by which this can be assessed
2. To explain the advantages and disadvantages of ARFI (acoustic radiation force impulse imaging) over Transient Elastography (Fibroscan)
3. To discuss the role of ARFI in the patient pathway
4. To identify factors that can affect the ARFI
5. To review the data from our institution

Event ID: 47578561

“Chronic Renal Disease (CRD) in Children”

Dr. Rosemary Allan

Date: Wednesday, September 16th, 2015

Location: SJHH: Campbell Auditorium
Level 2-Room T2202 – Juravinski Tower

Time: 12:00 pm

Objectives

1. Understand the definition and spectrum of chronic renal disease in children
2. Understand what conditions radiology plays a key role in
3. Understand mechanisms of CRD
4. Appreciate the rationale for imaging strategies

Event ID: 47578758

The Royal College of Physicians and Surgeons of Canada: This educational program is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, for a maximum of 1.5 hours. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

An unrestricted educational grant has been provided by GE Healthcare
