## MARCE Madiology Visiting Professor Series NAPERSON Kate Hanneman, MD, MPH, FRCPC Status Associate Professor, University of Toronto Clinical Scientist, Toronto General Hospital Research Institute Toronto, Ontario Canada

## Tuesday, February 7th, 2023

6 pm. (EST)

\*\* Campbell Auditorium – St. Joseph's Healthcare Hamilton, Juravinski Tower, Level 2 – Room T2202 \*\*

## "Cardiac Imaging in COVID-19 and Post Vaccination"

At the end of this presentation, participants will be able to:

- 1. Discuss the role of cardiac imaging and incidence of myocardial injury following COVID-19 and vaccination
- 2. Describe typical cardiac MRI findings following COVID-19 and post-vaccination
- 3. Identify knowledge gaps and need for future research

"Role of Cardiac MRI in the Next 10 Years"		"Myocardial MRI Mapping: What to Do and Say"
Date: Time: Location:	Wednesday, February 8 <sup>th</sup> , 2023 7:30 am. (EST) Campbell Auditorium – Rm. T2202 - SJHH	Date:Wednesday, February 8th, 2023Time:12:00 pm. (EST)Location:Campbell Auditorium – Rm. T2202 - SJHH
<ul> <li>At the end of this presentation, participants will be able to:</li> <li>Describe recent technological advancements in cardiac MRI and future directions</li> <li>Discuss the role of AI in cardiac MRI acquisition, post-processing, and analysis</li> <li>Explain appropriate use and environmental impact of cardiac MRI</li> </ul>		<ul> <li>At the end of this presentation, participants will be able to:</li> <li>1. Discuss role of cardiac MRI T1/T2 parametric mapping in clinical practice</li> <li>2. Identify findings of common cardiac diseases on parametric maps</li> <li>3. Describe analysis approaches and reporting for parametric maps</li> </ul>
